There was Tamba  m often in their demands for loyalty, personal attacks A to those who disagreed and their m  all questionveis   were t E o Abvios as a cult leader. Publicly, he sometimes causes those who threw about it. He Tamba  m would take fun of students and devotees ts his back. He was never afraid to demand donations from wealthy followers, although generally atrav  s of a intermedirio as Maggi. As a teacher, he had his faults. As a person, he made some bad choices morally. People were seriously injured by these choices. They could have been avoided. He knew what he was fazendo.Pessoas in RW tm afraid to speak truth to power. Many never vain f leave due to fear of abandonment by his best "friends." They love each other and use bomb attack therapy in encounter groups. They use the path of personal growth to create a dependncia RW and each other. I will ensure that Alqua  m in RW remain for more than six years they will probably be the f for vida.Michael once taught that RW was a place where you get what you need and then move on. Later, he said the opposite; RW was now a vitalcio commitment. Most real wayans who knew Michael never go out because they know they could never face the profound loss and despair that await. Michael did a good job incorporating their influncia into your psyche.  responsibility of each indivduo to explain their Stocks and Ratios. "From Osho, "The PA th of yoga ", chapter 10, page 4:" -   ~ | such s f o because of their Misa  This holiday     This very difficult thing more difficult to understand that   ~  I am the cause of my Misa  holiday. This hits deep, you feel hurt. Whenever Alqua Alqua say  m  m   the cause that you feel well and this person seems simptica If he says. "you   a suffering a victim, and the other is the E exploiting you, others are doing the E damage, other s f o violent", you feel good but this . E n goodness will last the one   neo momentary consolation, and dangerous, to a very great cost, because it est helping the cause of his Misa  ria "MG, continuing: - Quote", when you are with a real teacher, it seems hard because it forces the fact that you do the f   the victim, that you   the cause, it in the f   easy. But once you accept, since you understand, once you feel that   the cause of hell, already the comesou transforma The  f, comesou already half the work. Once you understand that you   the cause, a great mudansa vir for you because You do the f will cooperate more with the cause of the Misa  laughed. "Osho, continuing:" Cita f o "If you go to a Buddha, to an enlightened person, He   bound to be difficult because it will fori it the fact that you   cause . And once you begin to feel that you   the cause of his death, is the transforma f comesou already. by the time you That, half of work is already done. You're already on the way, you've moved. A great change came came Continuing: Quote "You will not say." My wife bothers me, my wife makes me angry. "You will understand that you chose this wife and probably chose for this reason. You will not say." My husband is a big problem for me. "You chose this husband, etc., Ra, Ra." Quote " The more you do the others responsible   "For your life, another slave you are. If you tell your wife makes you angry, then you are a slave to your wife. You say that your husband is doing problems, so you are a slave to your husband. "Osho, continuing," The more you do the others responsible   
