Can you do a particular celebrity voice? Yes! Do it in your comments (we read them), we will focus on the most requested voices, so make sure to get your friends to request Voice Changer Voices as well! Sometimes it is perfect, but sometimes I don't understand what it is saying, can you make it better? Yes, and we are working on it. Deep Learning Technology by our partner's technology automatically learns and does impressions of celebrity voices without any human training. Do you support other languages? Yes. You can use any language you want. Our technology makes it possible to change the voice, not just disguise the voice or change your voice to an FX chain that makes it sound like a monster or a chipmunk. How does it work? Voice Changer is a very simple application that lets you record speech and apply fun effects to it. VoiceChanger is a Mobile-based audio editor. You only need a mobile permission to access it, and you can use it to record or edit any audio file. SUM UP Enjoy Voice Changer and share the result with your friends on Facebook or Instagram. Legal Notice: Our app is for the entertainment purpose only and should only be used as a parody and to make the prank videos. We don't claim an affiliation with any celebrity, the voices are just impressions not real. Voicer was created for parody and jokes, not the media misleading and harm. Voicer app is NOT for obvious satire and parody. 1. We intentionally limited speech by 6 seconds and made it with delay so there would be IMPOSSIBLE to manipulate other person and make really believe that the video was made by a celebrity - ALL videos contain VOICER watermark,ie are jokes. 2. The technology is not perfect and it is easy to differ real celebrity speech from the artificial one. 3. All used images are under free public Creative Commons Attribution 2.0 Generic (as written at voicer.cc/terms, source list) - we can remove any of them if needed. 4. Voicer app mission is to demonstrate cutting edge technologies and engage users with creating amazing things. We are constantly working guided by suggestions. Change your voice to any famous voice instantly - just by talking into a mic or recording a video. SWAP YOUR VOICE TO CELEBRITY'S Use a fantastic set of AI voice filters to sound like famous singers, TikTokers, YouTubers, bloggers, and other celebrities in real life. Record your voice or choose a video from your gallery - and get the result instantly. SPEAK ANY LANGUAGE You can say anything in English, Spanish, Chinese, Hindi, Arabic, or any other language - and have it spoken back to you by celebrity voice. You can even make a video with yourself speaking in different voices! MAKE FUNNY VIDEOS Oh, so many ways to have fun with Saidit! - Prank your followers by hiding your real voice - Make your parody videos more unique - Record unique messages - Choose videos from your gallery to replace any voice As a result, you will get a perfectly lip-synced video with yourself speaking in the voice of your chosen character. Ruin reality. Freak out friends. Mess with mates. CHANGE VOICE IN ANY VIDEO Open endless possibilities of fun with any video from your gallery. Change any voice you want. Your friend? Easy. Celebrity to celebrity? That's not a problem. Try different styles and versions. HIGHEST QUALITY POSSIBLE Our technology is more than just voice swapping. With Saidit's unique voice changing AI, your voice gets changed in the most realistic way you've ever heard, with convincing sound expressions and emotions that you will say. Using our own-made technologies, you can hear what it's like to have a famous voice - and the results would be absolutely astonishing. If you've tried voice changers in the past, you've probably encountered apps that simply change the pitch or speed of your voice, or put a horrible echo effect or "dry" your voice with other very simple effects... It does not work like that with our AI technology. Our app is totally different. Try it by yourself. WORKS OFFLINE All this magic works right in your hands - on your iPhone. You don't need an Internet connection to switch voices. NEW VOICES EVERY MONTH You can request new voices and features in reviews! We're working hard to make more fun on Saidit! and will always listen to your feedback. Legal Notice: ALL ORIGINAL CONTENT and ARTWORK - NO IMPLIED AFFILIATION or ENDORSEMENT - NO CELEBRITY NAMES or LIKENESS - IMPRESSIONS FOR THE PURPOSE OF PARODY - VOICES ARE ONLY IMPRESSIONS - NOT A SOUNDBOARD - Saidit! app is meant to be used as a parody and to create parody. Saidit! is not claiming an affiliation with any celebrity who is being parodied. All content within Saidit! app is original, and there are no Celebrity or Brand names; only our poor impressions. Saidit! uses user-generated content to create the technology and to create a user-generated voice changer.
