Davies Paints Philippines, Inc. started operations in 1982 under Charter Chemical & Coating Corp., setting up its first manufacturing plant and office in Pasig City, Metro Manila. In 1990, the company started distribution of marine paints and heavy-duty coatings in the Philippines under Maincoat, Inc. as a licensee of Chugoku Marine Paint, Ltd., Japan's No. 1 marine paint company. Over the years, Davies Paints has continuously delivered both pioneering and innovative products in paint industry. Today, Davies Paints is one of the leading premium paint brands known and acknowledged for its widest color selection of ready-to-use paints. It is a brand recognized by architects, interior designers, painting contractors, and consumers for its excellent quality and environmental protection. In 2010, Davies Paints started its Mondo line of construction materials to provide building solutions from concrete waterproofing to plastering compounds to sealants. Since its introduction to the market, Mondo skimcoat is now one of the leading brands in the industry. The Mondo product line expanded and now offers many different types of construction materials. A manufacturing plant producing skimcoat was established in Mactan, Cebu in 2018 to cater to the growing demand from the southern part of the country. Our world-class technology and innovation will keep us moving forward and expanding in different markets to create better building solutions. With over 25 years of industry experience, the organization is recognized as a leading importer and distributor of premium coatings and paint products in the Philippines. Strategically located at Julia Vargas Ave., Ortigas Center Unit 1707 Antel Global Corporate Center in Pasig, Metro Manila, the firm specializes in providing a diverse range of innovative surface protection solutions tailored to meet the demands of both residential and commercial clients. Each offering is crafted to enhance not only aesthetic appeal but also durability against various environmental conditions. The company prides itself on a dedicated team of knowledgeable professionals who are committed to delivering exceptional service and expert advice, ensuring customized solutions for every project. In addition to traditional paint offerings, the organization emphasizes sustainability and innovative practices that improve the livability of spaces. Clients can rely on the firm's unwavering commitment to quality and dependability in its products and services, further solidifying its position as a pivotal player in paint distribution in the Philippines. Dan Sautler, CEO at Davies We are a specialist professional services and technology firm, working in partnership with leading insurance, highly regulated and global businesses. We help our clients to manage risk, operate their core business processes, transform and grow. We deliver specialist professional services and technology solutions across the risk and insurance value chain, including excellence in claims, underwriting, distribution, regulation & risk, forensic accounting, customer experience, human capital, digital transformation & change management. Our global team of more than 8,500 professionals operate across 20+ countries, with large operational centres in the UK & U.S. Over the past ten years Davies has grown its annual revenues more than 25-fold, invested heavily in research & development, innovation & artificial intelligence ("AI"), platform integration & underlying business systems, colleague development, and client service. Today the group serves more than 1,700 insurance, financial services, public sector, and other highly regulated clients. Our people, clients and the communities we serve are at the heart of our business. The Davies Foundation (registered charity number: 1181129) has been created to give our people the autonomy to choose how we support, give back and do good for the local communities we live and work within. The Davies Foundation aims to support charitable causes across the locations we operate from around the globe, that have meaning and are close to the hearts of our people. Our fundraising efforts come from our people taking part in organised events, such as sky-dives, treks and marathons with Davies match-funding the efforts of its employees. Davies Disruptive Thinking is an innovation lab, placing the power of new ideas in the hands of our people. Our mission is to discover valuable ideas for our clients and our people so that we can reimagine our business by using new technology and creating a culture of innovation. We have significantly increased our investment in technology and digital transformation, while nurturing new ideas and innovation from our people. We like to think differently, lead change and make a big impact. Since its launch, more than 1500 Davies colleagues have taken part in our lab programme and helped us to launch multiple new solutions for our clients. Davies values diversity of thought and the benefits that a diverse workforce brings to the business. We are committed to creating and maintaining an environment that embraces diversity and inclusion and where everyone is treated equitably. Learn more about our approach to DEI.
