Download this free digital notebook template for Goodnotes with hyperlinks, Cornell layout, and grid pages. Simple, pastel green, and easy to use. If you're looking for a Free Digital Notebook Template for Goodnotes, I've got something you might really enjoy. This isn't a planner I found online, it's a notebook I personally created a while back and still use regularly. It's simple, pastel green, and designed with both function and flexibility in mind. And now, I'm sharing it with you completely free. Why I Created This Digital Notebook Template for Goodnotes: When I first started using Goodnotes, I wanted a notebook that felt clean, minimalist, and easy to write in, something that wouldn't distract me with too many design elements, but still looked nice and structured. That's why I created this Free Digital Notebook with Hyperlink Template for Goodnotes in a soft pastel green theme. It has just enough structure to help you stay organized, but still gives you the freedom to use it however you like. What's Inside the Notebook? Here's a quick overview of what's included: 100 pages of neatly formatted note paper. Cornell layout + grid background (perfect for study notes). Small square grid - designed for clarity and neat writing. Hyperlinked Table of Contents for smooth navigation. Pastel green theme - soft, calm, and easy on the eyes. Duplicate pages easily if you need more than 100. The grid I used is intentionally small so your notes look clean and tidy. A little tip: try writing one line and skipping one line, it gives your notes breathing room and helps with readability. Don't miss this: Free Study Planner for Goodnotes (Korean style) How You Can Use It? This notebook is intentionally simple so it can work for a variety of needs. You can use it as: A study notebook for school or uni A daily journal or gratitude log A space for language learning notes A reading journal or quote tracker A project notebook or brainstorm space Since the layout is based on the Cornell method, it's also great for organizing study notes, summaries, and review sections. How to Download the Free Digital Notebook To grab this Free Digital Notebook Template for Goodnotes, just click this link. No sign-ups or complicated steps, simply download and import it into your Goodnotes app. If you ever need more pages, just duplicate any existing page using Goodnotes' built-in tools. Final Thoughts I created this notebook quite some time ago, but it's still one of my go-to tools when I want a clean, flexible space to jot things down. It's not overly fancy, and that's the charm. If you appreciate minimalist digital templates that works, I think you'll like this one. Let me know if you give it a try. I'd love to hear how you end up using it! And feel free to share it with friends who might need a simple yet effective digital notebook. The goal planner template helps you plan your goals and set deadlines for achieving them. You can list all of the actions you need to do to help you complete your goal and mark each as achieved when you've reached it. Digital Goal Planner Template There's space for multiple goals, and you can see them all within this two page spread. The project planner is helpful for anyone who likes to make and plan projects. Write your project idea, objectives, and any tasks that make up the project. Digital project planner There's space for multiple projects and you can see them within this section. Manage your budget and bills with these budget templates. You can track your spending, log your income, and much more. There's also a bill payments checklist, great for tracking all of your bills and when you pay them. GoodNotes budget template free This two-page section helps you stay on top of your budget and bills within one area, so no more flipping pages when trying to organize your money. Use the savings tracker to set savings goals and to track your savings as you work towards them. The debt tracker is useful for keeping tabs on your debts with the aim of helping you pay them off as quickly as possible. Digital Savings Planner Template Having these two pages side by side, helps you see and manage your money better. Log your weight, set weight goals, and track your weight loss with these useful weight templates. Digital weight loss template Having these two pages side by side helps you track your weight more effectively. Use the digital meals and workouts tracker to log your meals, calories consumed, and workouts. Digital workouts tracker These two pages also work well together, and by having them on screen at once helps you track your meals, calories, and workouts more effectively. Use the digital spending tracker to log your spending throughout the month so that you can account for the money you've used and how you've paid for things. There's also a digital holiday budget tracker that's great for setting a budget for a vacation or for the holiday season. Digital spending tracker These pages will help you manage your spending better, no matter the time of year. Use the digital grocery list to write down what you need to buy when you go grocery shopping. Digital grocery list These two pages help keep your groceries and other shopping neatly separated but together on the screen to help you shop more efficiently. You'll also find six custom sections that you can use for anything. Custom sections are great for planning or logging things that are unique to you. GoodNotes custom section Customize these sections for any type of planning that you need to do. You can also add printable planner inserts of any kind into these pages, to make a unique planner that's custom to you. We have lots of planner inserts right here on our website. Free Goodnotes templates There are many reasons why digital planners are better than regular printed planners. You can copy and reuse pages as often as you need, cutting down costs. They're better for the environment as there's no paper used and no waste either. They're also great time savers, as you can copy and paste anything from tasks, schedules, and more instead of having to rewrite. You can also search through your planner to quickly find anything that you've written previously. Digital planners are also very affordable, especially when you use high quality free digital planners like those that we offer here on our website. Best of all, they're portable and accessible from anywhere. You can sync them between devices, back them up, share them, and even access them from the web using GoodNotes web viewer. GoodNotes planners can be shared so that you and others can work together on the same planner. GoodNotes works offline, there is no need for an internet connection unless you want to sync your planner between devices. GoodNotes is only developed for iOS devices as the majority of people use iPads for digital planning. There are no plans for a Windows version. However, there is a GoodNotes web viewer that can be used to view your notes on Windows. You can find many GoodNotes templates free right here on our website. Check out our full range of digital planners that work with the Goodnotes iPad app. You'll find many styles of templates to choose from. The templates come in PDF format that you import directly into any annotation app. There are many different styles of planners that you can get. The planner that you choose comes down to style and features. You can choose from dated and undated planners in a range of stylish designs. There are also planners dedicated to things such as meal planning, budgeting, wellness, and more. Our all-in-one planners combine all aspects of life and work into a planner bundle, so you'll have all of the pages that you need to plan and organize the things that matter.
