Now your journey starts. Mr. Wicker will help you in starting a new farm. Harvesting crops is never been so easy. Pick up the sickle and harvest crops. Seed your crops and it will take time. Paint the buildings and upgrade them. In this game, players can invite their friends to the party. Buy birds and animals, and feed them. For example, chickens will produce eggs and it will take some time. You can speed up your animals & birds as well. Collect resources and level up your performance. Grow and Customize Your Farm Remember happy animals make a happy farm, not the hungry ones. Buy a feed mill that produces animal feed. Level up your progress and unlock new features, buildings, animals, etc. in this game. Buy more fields to grow more crops. Sell items to visitors and let the business grow. Keep harvesting and feeding animals. Build Your Town Build production buildings such as Bakery, Feed Mill, Dairy, Sugar Mill, Popcorn Pot, Sewing Machine, Cake Oven, and there are so many more in this Hay Day MOD APK. Buildings will take time to build. Players can use diamonds to finish the construction as well. Buy tools from Greg, a neighbor of yours. Visit his farm and buy tools, animals, seeds, and so much more. Remove trees and obstacles to expand your farm. But remember, you will need tools for that. Increase your storage and collect more items. Complete Orders and Earn Rewards Players can complete orders, the delivery truck takes the orders. Check the order board to know which orders are needed and check the reward as well. Select orders and complete them. Keep delivering orders to collect coins because, with coins, you can buy fields, buildings, animals, birds, etc. Connect with Friends Players can connect to Facebook and Supercell ID to play with their friends. Visit their farms, and chat with them. Also, they can find friends which helped them recently. Just tap on the Hay Day MOD APK download button, install it and play with your friends.
