The Art of Romance: Mills & Boon Color Love Book puts life in Technicolor. Mills & Boon (r) have been the core of the romance since 1908 e | and while the fashions may have changed since then, one thing remains the same. From pulse beating passion for soft carestone, and exotic deserts for elegant boudoirs, WEA Ve always known how to bring live romance. And, for more than a hundred years, WEA was experts in escapism. Now, Re WEA pleasure to introduce you with these irresistible illustrations, inspired by the vintage glamor of our covers. So, enter your dreams and free your imagination as we present the most emblematic Mills & Boon (r) moments of the last season.
