Chouteau county performing arts

A former local dance instructor is an excellent choice if your focus is regional dance performance. These spaces are often non-for-profit, meaning they rely on donations and grants from individuals, companies and the state. Students currently enrolled in school in Chouteau County get free admission. If you are acting as curator, bring in a staff that includes people with fund-raising and grant-writing experience. Remember opening a cultural space will benefit the larger community as it draws in tourism, can entertain kids after school and bring foot traffic to surrounding businesses. CCPA concerts are presented in part by grants from The Montana Cultural Trust, The Montana Arts Council, WESTAF, The National Endowment for the Arts, The Montana Performing Arts Consortium, The Lippard-Clawiter Foundation and the Leroy and Claris Strand Foundation. Starting a performing arts center is an exciting prospect for those who want to support artistic practice and boost the cultural capital in their community. Described as everything from indie-roots to chamber-folk, West My Friend has an acoustic blend of instruments and four-part harmonies that challenges the conventions of popular music. Will you be acting as director and bringing in someone to plan programming? Performing arts centers happen in a variety of sizes with different focuses; from local community theater, to traveling ballet troupes to major theater productions. Inspired by artists such as Owen Pallett, Joanna Newsom, Bright Eyes, The Decemberists, and the Punch Brothers, and forged from a sonically adventurous acoustic music scene on Canada's west coast, West My Friend is proving to be a key part of a new generation of grassroots folk music. If you are in a small town, maybe an appropriate program would encompass artists of your region who are doing things that fit your curatorial vision. West My Friend's commitment to creating original indie-roots music, and their dedication to giving their audiences a meaningful and memorable experience, is sure to catch hold of listeners as they regularly tour through Canada, the United States and Europe. If you are in a large city then maybe you should focus on supporting talented actors, dancers and performers in your immediate vicinity. Location: Montana Ag Museum Tickets are \$30/person Cocktails start at 6 p.m. with a cash bar Dinner at 7 p.m. with food stations from: Wake Cup Coffee House Cafe & Bakery, The Grand Union, D Social Bar and Lanes and River Market - Benton. Event sponsors: Silver - Triangle Communications & Benton Funeral Home Bronze - Benton Pharmacy, First Security Bank, Franklin Street Guest House, Grand Union, Great Plains Insurance, R&R Bronze Grain & Cattle, River Market - Benton and The River Press. Looking forward to be out in this beautiful part of the world and sneaking in a few Country tunes into the evening to get my cowgirl on! INFO or call: Connie @ 406 750 2918 or Wendy @ 406 622 5677. Their diversity in taste and influence and a keen interest in both traditional sounds and innovation, leads to constant exploration of new sounds that places them as a distinctive voice in the landscape between Canadian folk and indie-pop. With Eden Oliver on guitar, Alex Remple on mandolin, Jeff Poynter on accordion, Nick Mintenko on double bass, and all on vocals, the wealth of musical experience and classical training creates an interesting backdrop for their songwriting. Find them on Face Book, listen to them on YouTube and learn more about them on their website Westmyfriend.com. For more info please call 750-2918 or 622-5677. Use these benefits to get the city officials and surrounding businesses on your side. Chouteau County Performing Arts in partnership with First Security Bank present the Canadian group West My Friend on Tuesday March 13th at 7 PM at the Fort Benton Elementary School auditorium. The band features pure and thrillingly elastic vocals with catchy arrangements of bass, guitar, mandolin, and accordion that draw from jazz, classical, folk, and pop influences. Admission is by CCPA season ticket or \$15 at the door the night of the show. Funding a performance art space is complicated in today's economic climate. West My Whom? They can be beneficiaries, supporters and patrons. Consider alternative ways to raise funds for your new space, such as including for-profit classes with volunteer teachers, an auction of donated artworks or a dinner hosted by a local restaurant. Choose the staff of your performing art space wisely. Consider what your local community needs. This allows for levels of detail, intricacy, and counterpoint balanced with moments of simplicity. If so, choose someone with experience who knows your target community.
