180 ^ Mark Sandrich (Director) (1935). Tanja Liedtke Foundation. Merce Cunningham, George Balanchine, and Sir Frederick Ashton were all influential choreographers of classical or abstract dance, but Balanchine and Ashton, along with Martha Graham, Leonide Massine, Jerome Robbins and others also created representational works.[2] Isadora Duncan loved natural movement and improvisation. Retrieved 2007-08-08. (Seattle, WA). ^ ^35. Choreography is also used in a variety of other fields, including opera, cheerleading, theatre, marching band, synchronized swimming, cinematography, ice skating,[7] gymnastics, fashion shows, show choir, cardistry, video game production, and animated art.[citation needed] Competitions The International Choreographic Competition Hannover, Hanover, Germany, is the longest-running choreography competition in the world (started c. 1982), organised by the Ballett Gesellschaft Hannover e.V.[8] It took place online during the COVID-19 pandemic in 2020 and 2021, returning to the stage at the Theater am Aegi in 2022. Archived from the original on 2007-10-12. Dance Informa Magazine. For other uses, see Choreography (disambiguation). The main conditions of entry are that entrants must be under 40 years of age, and professionally trained.[9] The competition has been run in collaboration with the Tanja Liedtke Foundation since her death in 2008, and from 2021 a new production prize has been awarded by the foundation, to complement the five other production awards. In the 17th and 18th centuries, social dance became more separated from theatrical dance performances. Retrieved 2007-08-07. A choreographer is one who creates choreographies by practising the art of choreography, a process known as choreographing. 15 September 2021. ^ Presented by Amanda Wilde (2006-10-26). ^ "Home page". 8 May 2020. Choreography for the Spanish dance Cachucha, described using dance notation Choreography is the art or practice of designing sequences of movements of physical bodies (or their depictions) in which motion or form or both are specified. ^ "Choreography Online's new competition for the virtual era". Dancer Staged by Steven Granger and Gladys Rubens ^ a b c "Choreography: What It Is and How to Get Started". "Frankie Manning: Lindy Hop Pioneer". Ensembles Staged by Hermes Pan ^ Edward Cahn (Director) (1942). It most commonly refers to dance choreography.[1] Etymology and history The word choreography literally means "dance-writing"[2] from the Greek words *χορεία* (circular dance, see choreia) and *γραφή* (writing). During this time the word choreography was applied to the written record of dances, which later became known as dance notation, with the meaning of choreography shifting to its current use as the composition of a sequence of movements making up a dance performance.[2] The ballet master or choreographer during this time became the "arranger of dance as a theatrical art", with one well-known master being of the late 18th century being Jean-Georges Noverre, with others following and developing techniques for specific types of dance, including Gasparo Angiolini, Jean Dauberval, Charles Didelot, and Salvatore Viganò. ^ a b c d e f "choreography". In dance, choreography is also known as dance choreography or dance composition. ^ "Choreography 36 - Choreography Competition Hannover". Our Gang in "Melodies Old and New" (DVD). Choreography Competition Hannover. It first appeared in the American English dictionary in the 1950s,[3] and "choreographer" was first used as a credit for George Balanchine in the Broadway show On Your Toes in 1936.[4] Before this, stage credits and movie credits used phrases such as "ensembles staged by","dances staged by",[6] or simply "dances by" to denote the choreographer.[4] In Renaissance Italy, dance masters created movements for social dances which were taught, while staged ballets were created in a similar way. University of California Press. The new award is presented by Marco Goecke, director of ballet at the Staatstheater Hannover.[10][11] There are a number of other international choreography competitions, mostly focused on modern dance. 12:31 minutes in. ISBN 0-520-20639-8., p. George Balanchine: A Biography. Dictionary.com. In 16th century France, French court dances were developed in an artistic pattern. The work of Alvin Ailey (1931-1989), an African-American dancer, choreographer, and activist, spanned many styles of dance, including ballet, jazz, modern dance, and theatre.[7] Choreography today Today, the main rules for choreography are that it must impose some kind of order on the performance, within the three dimensions of space as well the fourth dimension of time and the capabilities of the human body.[2] In the performing arts, choreography applies to human movement and form. Skillsshare. Art or practice of designing sequences of movements of physical bodies It has been suggested that Choreography (dance) be merged into this article. RKO Radio Pictures. Choreography may also refer to the design itself. Dance Australia.
